Nambour • Noosa • Pelican Waters • Pomona • Redcliffe • Yandina**

Healthy Sleep Solutions holds clinics at numerous locations across the Sunshine Coast, Moreton Bay and Brisbane North regions. In conjunction with the patient's own GP, Health Sleep Solutions sleep technicians are able to organize overnight sleep apnea tests which allow patients to be tested for sleep apnea while sleeping in the comfort of their own home, as well as being reported on by leading Sleep Physicians.

Healthy Sleep Solutions, Australia's premier provider of home sleep studies, offers a complete pathway for sleep apnea patients, from testing, diagnosis, introduction to therapy, ongoing support, data downloads and equipment purchases. The Healthy Sleep Solutions sleep technicians ensure that patients are advised and taught about sleep apnea, CPAP equipment and masks. Our Sleep Technicians actively encourage their patients to trial all equipment before purchase to ensure they are comfortable and obtain the maximum health benefits

Look out for the Healthy Sleep Solutions mobile sleep technicians in your area, ask your GP or give our friendly sleep technicians at Healthy Sleep Solutions a call for more information
